# 1a. Basic Healthcare Advice for Workers

The screenshot displays the Samaritan Ministries website with a navigation bar at the top containing links for HOME, MESSAGE US, HEALTHCARE, MISSIONARY HEALTH INSURANCE, CALENDAR, and HOW TO GIVE. A search bar is located in the top right corner.

**Affordable Care Act - How Does it Affect Missionaries & Travellers?**  
The Affordable Care Act, also known as "Obama-Care" or "PACCA" has made sweeping changes to U.S. healthcare. How does it affect missionaries overseas and people travelling overseas? Check out the entire page set up to answer this question by Good Neighbor Insurance.

**Healthcare for Christians**  
ACM was started to help commended workers find healthcare. After many discussions and reviews, ACM has decided to go with Samaritan Ministries International as its primary health care recommendation for commended workers. We are working to add two other key resources to this already great program: volunteer doctor services and financial support.
